At Fabuwood, we create kitchens that make you feel at home.

Cabinets play a pivotal role in orchestrating the flow of your kitchen design. Offering a seamless balance of functionality, endurance and poise, Fabuwood cabinets are built to withstand the test of time. Each door style embodies a distinct character and vibe that's unique to your personality and what you stand

for. Featuring cabinets in a great combination of style, selection and price, Fabuwood invites a welcoming sense of comfort and luxury to the space that's central to your life. Go ahead and explore our wide variety of cabinets styles, materials and finishes, and discover the one that perfectly captures the heart of your home.

Q12TM

Q U A L I T Y R E D E F I N E D

Design is so much more than appearance alone. How are quality cabinets truly defined? After performing a thorough analysis alongside industry professionals, the definition of quality cabinets has been narrowed down to twelve unique attributes. Collectively, these twelve simple but significant pillars have been given an even simpler name - Quality 12. A Q12 cabinet encompasses 12 facets that together make up a superior product.

Q1 Element Sourcing

CAREFULLY SELECTED ELEMENTS

To ensure the absolute integrity of our product, each element is carefully selected. We start by choosing only "Grade-A" materials and make no compromises along the way.

Q2 Finishing Process

PRO TOUCH TECHNIQUES

Our Allure and Illume cabinets offer high-end finishes that are as beautiful as they are durable and practical. Fabuwood's distinctive pro-touch techniques allow for a sustainable and resilient cabinet finish that is not only easy to clean but will retain its beautiful luster for years.

Q3 Build Techniques

ADVANCED CONSTRUCTION

Our Allure Dovetail and Illume Threespine® construction methods are superior, innovative, and built for a lifetime of use. Our attention to detail, coupled with advanced construction techniques, means a long lasting, superior quality cabinet every time.

Q4 Structural Integrity

ANTI-WARP STRUCTURES

All our cabinets are engineered in a way that eliminates warping, ensuring the cabinets hold up against elemental pressures. Crafted to perfection, every detailed component is created with unflinching durability. Each cabinet we produce is held to a high standard, ensuring long-lasting reliability.

Q5 Load Capacity

METAL SHELF CLIPS

To maintain a maximum level of stability that preserves a shelf's longevity, these metal shelf clips assure sturdiness and durability. With this feature, your shelves are sure to stand the test of time.

Q6 Back Stability

TOUGH BACK BUILDS

For superior structural longevity, the back builds on the Allure and Illume series are built tough and easy to install. Our rigorous pressure testing guarantees that our products won't give in.

Q7 Surface Usability

FLUSH FIT

To achieve an attractive appearance that is convenient and practical, our Q12 cabinets are built with a flush fit to ensure smooth surfaces and easy in-and-out access.

Q8 Interior Refinement

UNIQUE INTERIORS

The interior finish of our cabinets is as important as the exterior. Fabuwood offers high end, unique interior finishes for a clean and sophisticated look.

Q9 One-click Install

ONE-CLICK INSTALLATION

In addition to our soft-close action feature, the cutting-edge Blum Compact Clip Hinge allows for lightning-fast one-click installation and release.

Q10 Glide Velocity

FLUID FULL-EXTENSION

Our cabinets are built with smooth full-extension glides to guarantee an enhanced running action that maximizes its storage to full capacity. Fabuwood manufactures its cabinets with Blum's tandem plus runners and soft-closing technology, utilizing space while also preventing damage and deterioration.

Q11 Drawer Leveling

EZ LEVEL DRAWER FRONTS

On both framed and frameless products, to achieve an aesthetically graceful balance and ensure proper drawer alignment and function, our cabinets use an effortless system, utilizing a degree of mechanical precision for installing perfectly positioned drawer faces.

Q12 Lifetime Warranty

LIMITED LIFETIME WARRANTY

Our integrity-defining limited lifetime warranty is our commitment to quality and excellence. The warranty reflects our pledge to always back our cabinets while delivering an immaculate product. With precise crafting techniques, Q12 cabinets are poised for a lifetime of use.

*Our acclaimed Q12[®] cabinets
are now backed by
Limited Lifetime Warranty*

Our new Limited Lifetime Warranty reflects our commitment to excellence and uncompromising quality. Like our Q12[®] certification, the warranty confirms our pledge to our customers and our products, bringing you the best in the industry.

The Limited Lifetime Warranty is available for Allure, Illume, Value Premium, and Quest series cabinets.
